

JOB DRIVE

The Department of English participates and makes the students participated in the job drives conducted across the district and the State. The students are trained before the scheduled job drives conducted. The students have shown their caliber by getting the placements in varied organizations.

PLACEMENT CELL

Jawahar Knowledge Centre in collaboration with the Department of English motivate the out going students to attend the off campus drives being organized by the near and surrounding Govt. Degree Colleges besides other institutions. Before they attend the drives they are duly trained with Communications and Soft Skills.

JKC –SKILL ENHANCED ACTIVITIES

Inculcation of latest developments and skills which are essential for facing the global completions has been regarded very important among the students. The JKC, having comprehended the scenario takes prime responsibility by reinforcing the hidden knowledge and skills in the students. It's a herculean task over the shoulders of the concerned as the entire enrollment of the student hailing from the rural back drop. The College is its self situated in the rural area.
