BRICS SUSTAINABLE LIFESTYLE WEEK (BSLW-2026)

E-WASTE AWARENESS ACTIVITIES

Government Degree College, Jammalamadugu, Andhra Pradesh

Date: 06 November 2026

Venue: Government Degree College, Jammalamadugu

Programme Coordinators:

All Department Incharges

Introduction

Government Degree College, Jammalamadugu, Andhra Pradesh, organized E-Waste Awareness Activities as part of BRICS Sustainable Lifestyle Week (BSLW–2026) on 06 November 2026. The programme was conducted to create awareness among faculty members and students about the environmental hazards of electronic waste and the importance of its proper collection, segregation, and disposal. The event was organized under the leadership of Principal Dr. M. Ramesh and Vice Principal Dr. S. C. Sanjeeva Reddy. Faculty members from all departments and students actively participated in the programme. The activities focused on promoting responsible electronic waste management and sustainable digital lifestyles.

Aim

The main aim of the programme was to promote awareness about responsible e-waste management, encourage the safe collection and disposal of electronic waste, and develop environmentally responsible habits among students and faculty members.

Objectives

The programme was organized with the following objectives:

- To organize a campus e-waste collection drive for collecting outdated electronic gadgets, cables, chargers, and batteries.
- To create awareness about the harmful environmental effects of improper e-waste disposal.
- To encourage students and faculty members to adopt responsible electronic waste management practices.

- To administer the Digital LiFE Pledge through the MyGov/MeriLiFE platforms and promote sustainable digital lifestyles.
- To educate participants about the importance of recycling, reusing, and reducing electronic waste.
- To encourage the college community to contribute towards environmental protection and sustainable development.

Outcome

The programme created awareness among faculty members and students about the importance of proper e-waste management. Participants understood the environmental risks associated with the improper disposal of electronic gadgets, cables, chargers, and batteries. The campus e-waste collection drive encouraged the responsible collection and segregation of obsolete electronic items. The Digital LiFE Pledge promoted through the MyGov/MeriLiFE platforms inspired participants to adopt eco-friendly digital habits. The programme also strengthened the commitment of the college community towards reducing electronic waste and protecting the environment.

Conclusion

The E-Waste Awareness Activities conducted under BRICS Sustainable Lifestyle Week (BSLW–2026) at Government Degree College, Jammalamadugu, were informative and meaningful. The programme successfully highlighted the significance of responsible e-waste collection, recycling, and sustainable digital practices. Under the guidance of Principal Dr. M. Ramesh and Vice Principal Dr. S. C. Sanjeeva Reddy, the active participation of faculty members and students contributed to the success of the programme. The initiative encouraged the college community to adopt environmentally responsible practices and work towards a clean, green, and sustainable future.

PLEDGE

I pledge to make all possible changes in my daily life to protect the environment. I also commit to continuously motivate my family, friends and others about the importance of environmentally friendly habits.
