SYLLABUS OF

ENVIRONMENTAL EDUCATION

AS PART OF LIFE SKILLS COURSES

UNDER CBCS FRAMEWORK WITH EFFECT FROM 2020-21

PROGRAMME: FOUR-YEAR UG HONOURS PROGRAMME

AP State Council of Higher Education

Revised Syllabus under CBCS Pattern

(w.e.f. 2020-'21 Academic Year)

A Mandatory Course for BA/BCom/BSc etc.

ENVIRONMENTAL EDUCATION

(Total hours of Teaching – 30 Hrs. @ 02 Hrs. per Week)

Course objective: A Generic Course intended to create awareness that the life of human beings is an integral part of environment and to inculcate the skills required to protect environment from all sides.

Learning outcomes: On completion of this course the students will be able to

1. Understand the nature, components of an ecosystem and that humans are an integral part of nature.
2. Realize the importance of environment, the goods and services of a healthy biodiversity, dependence of humans on environment.
3. Evaluate the ways and ill effects of destruction of environment, population explosion on ecosystems and global problems consequent to anthropogenic activities.
4. Discuss the laws/ acts made by government to prevent pollution, to protect biodiversity and environment as a whole.
5. Acquaint with international agreements and national movements, and realize citizen's role in protecting environment and nature.

Unit 1: Environment and Natural Resources

06 Hrs.

1. Multidisciplinary nature of environmental education; scope and importance.
2. Man as an integral product and part of the Nature.
3. A brief account of land, forest and water resources in India and their importance.

4. Biodiversity : Definition; importance of Biodiversity - ecological,consumptive, productive, social, ethical and moral, aesthetic, and option value.
5. Levels of Biodiversity: genetic, species and ecosystem diversity.

Unit-2: Environmental degradation and impacts

10Hrs

1. Human population growth and its impacts on environment; land use change, land degradation, soil erosion and desertification.
2. Use and over-exploitation of surface and ground water, construction of dams, floods, conflicts over water (within India).
3. Deforestation: Causes and effects due to expansion of agriculture, firewood, mining, forest fires and building of new habitats.
4. Non-renewable energy resources, their utilization and influences.
5. A brief account of air, water, soil and noise pollutions; Biological, industrial and solid wastes in urban areas. Human health and economic risks.
6. Green house effect - global warming; ocean acidification, ozone layer depletion, acid rains and impacts on human communities and agriculture.
7. Threats to biodiversity: Natural calamities, habitat destruction and fragmentation, over exploitation, hunting and poaching, introduction of exotic species, pollution, predator and pest control.

Unit 3: Conservation of Environment

10 Hrs

1. Concept of sustainability and sustainable development with judicious use of land, water and forest resources; afforestation.
2. Control measures for various types of pollution; use of renewable and alternate sources of energy.
3. Solid waste management: Control measures of urban and industrial waste.
4. Conservation of biodiversity: In-situ and ex-situ conservation of biodiversity.
5. Environment Laws: Environment Protection Act; Act; Wildlife Protection Act; Forest Conservation Act.
6. International agreements: Montreal and Kyoto protocols; Environmental movements: Bishnois of Rajasthan, Chipko, Silent valley.

Suggested activities to learner: (4 hours)

1. Visit to an area to document environmental assets: river/ forest/ flora/fauna, etc
2. Visit to a local polluted site-Urban/Rural/Industrial/Agricultural site.
3. Study of common plants, insects, birds and basic principles of identification.
4. Study of simple ecosystems-forest, tank, pond, lake, mangroves etc.
5. Case study of a Forest ecosystem or a pond ecosystem.

Dr.G.chandra shekar M.Sc.,M.Phil.,P.Hd.
Principal

With the introduction of two year Intermediate course at 10+2 stage throughout Andhra Pradesh, two year Intermediate courses have been started in place of Pre-University courses with Science, Arts and Commerce subjects both in Telugu and English Media.

The college was recognized by the U.G.C. under 2F and 12B clauses of the UGC Act.1956(1-1-1969). In the year 1979 permanent building was constructed and all laboratories, Principal's chamber and office room were shifted into new building.

Vocational courses were started at 10+2 stage in the year 1982 with R.E.T, E.D.R. and other courses. Computer course at 10+2 stage was introduced in the year 1994 by constructing air conditioned lab and by installing six black & white computers by the Government. The introduction of R.O.R. and Y.E.S. schemes by the S.V. University changed the scope and importance of Higher Education at the university level which ultimately changed the intrinsic value of education. In the academic year 1998-99, Computer Science and BCom Computer Applications courses were introduced.

It was a composite college up to 12-07-2002 and was bifurcated into S.C.N.R. Government Degree College-Proddatur and Government Junior College-Proddatur on the same date itself.

Proddatur is one of the biggest town in Kadapa(YSR) District of AP and one of the best commercial centers in the Rayalaseema. In the year 1966, there was only one college existed in the entire Kadapa District i.e. at Kadapa headquarters. Catering to the needs of the Proddatur people, SCNR Govt Arts & Science College was started in the year 1966 with pre-university courses. The college was started in the buildings of Basic Training School which was shifted to Rayachoti in the year 1966. Late Sri S.C. Nagi Reddy, a local elite was the chief donor and promoter of the college who made magnanimous donation of Rs. 2 Lakhs. Immediately in the year 1967, Three year Degree courses were started with B.A., B.Com and B.Sc(MPC) and BSc(BZC) combinations. of A.P.

The college has been admitted for NAAC assessment during the academic year 2005-06 and Accredited at “B” level by NAAC. The necessary infrastructure for the students have been developed and is continuously being updated to introduce new courses for students convenience. History, Political Science and Sp.Telugu course at U.G. The facilities required for the all-round developments of students have been provided in the campus, encouraging all the students to participate actively in co-curricular and extra curricular activities. All the available facilities are always kept in immaculate condition improvements constantly effected.

Vision

To impart quality education by inculcating value based education and by imparting skill oriented knowledge according to the changing global needs thus fostering global competencies among students and to refresh the students and staff by supplementing with good resources available by mobilizing various strengths by effective use of curriculum and by promoting the use of technology.

To develop a dynamic mechanism in the college for spreading its extension activities and other services and also to create consciousness among different sections of people on various important issues like environmental, women empowerment, rural development, human rights etc to contribute to the national development.

Mission

To achieve the vision and to maintain good academic atmosphere in the college through periodic assessments by IQAC, a mechanism is developed to monitor the things and the college is striving every nerve to maintain good academic atmosphere and struggling hard to maintain the excellence.

Principal Message

It has been an absolute pleasure to have been associated as the Principal of SCNR Government Degree College. It has been incredible journey and I would like to extend my sincere gratitude to all of the staff, students and parents of this community for the wonderful support I have received. I would also like to acknowledge and thank the Director and other officials of CCE for their support. All of us in education strive to create an exciting learning environment for our students. I thank all the parents, students and staff for the good wishes and acknowledgements. My best wishes to all studentns for a safe, peaceful and glorious future.

Alumni meet

An alumni meet convened at SCNR GDC Proddatur by 10 AM ON Jan 4th Jan 2022. Dr.G.Chandra Sheker principal preside over the programme.

S.Raghurami reddy Hon ble MLA mydakur Assembly constituency and son of the college founder **Sri.S.C.Nagi reddy** attended as special guest. **Sri Rachamallu Siva Prasad Reddy** hon ble MLA Proddatur Assembly constituency attended as chief guest. On this occasion sri Rachamallu Sivaprasad Garu delivered speech and promised about putting his efforts in sanctioning of worth Rs 23 cores for development of the college and its premises. On this occasion the college principal ,staff , alumni and students felicitated Sri Rachamallu Siva Prasad Reddy MLA and Sri S.Raghurami Reddy MLA grandly. In this meeting all teaching and non teaching staff , Alumni of the college , students press people participated.

NATIONAL BIRD DAY

Nature lovers, bird lovers, and bird watchers across the country annually recognize **National Bird Day on January 5th**. National bird day is organized on January 5th by Dept of ZOOLOGY in SCNR GDC Proddatur. On this occasion G.Damodar ,In-charge , Dept of Zoology addressed the students in his speech he stressed about the need of ecological balance in biodiversity for prosperous new generations to lead healthy and progressive life. As a part he also explained the students the role of birds in maintaining healthy biodiversity and need of conservation of them. K.Chandra mohan lecturer in Zoology also delivered a speech on ill – treatment of human being on nature and especially on birds. Results in extinction of so many kinds of birds leading to harmful consequences going to be faced by future generations .in this programme all the students various departments are participated .

Organizing an inter-college quiz competition on Indian Constitution.

The Constitution of India is a dynamic document which ensures the aspiration of we the people of India. The Indian Constitution enables the government to take positive welfare measures; some of which are legally enforceable. This dynamic document focuses on rules and regulations and also gives power to the government for pursuing collective good of the society. The Indian Constitution was adopted on 26th November 1949. Its implementation formally started from 26 January, 1950.

For registration, contact : 8074018521 & 9381744774

Plantation by students

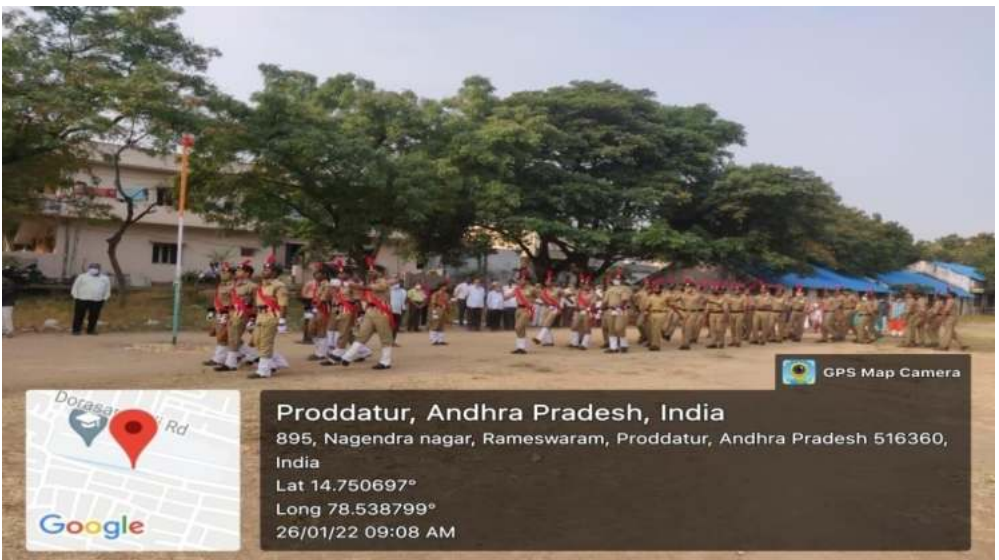

National Voters' Day

12th National Voters' Day (NVD) to be celebrated on 25th January 2022 Organized by SCNR GDC Proddatur. Theme for this year's NVD is 'Making Elections Inclusive, Accessible and Participative'. National Voter Awareness Contest on social media - '**My Vote is my Future- Power of One Vote**' to be launched. In this occasion conduct rally in proddatur town in this programme in charge principal Sri Obula Subba Reddy Garu , IQAC Cordinator K.Chandra mohan Garu, NSS P.O D.Vasu Babu garu, NCC Officer N.Pradeep garu , lecturer and all students are participated.

Republic Day

India marks January 26 as its Republic Day every year. In 2022, the country is celebrating its 73rd Republic Day. While India gained independence from the British Raj in 1947, it wasn't until January 26, 1950, that the Indian Constitution came into effect, and India became a sovereign state, declaring it a republic. Dr BR Ambedkar headed the Drafting Committee of the Constitution. Additionally, Constitution Day is celebrated in India on November 26 every year, as on November 26, 1949, the Constituent Assembly of India adopted the Constitution of India. Republic day celebrated by SCNR GDC Proddatur. in this occasion flag hoisting by in-charge principal sri obula subbareddy garu. NCC parade by NCC unit and salute to flag. In this programme all teaching and non teaching staff and students are participated .

International Mother Language Day, 21-02-2022

International Mother Language Day was celebrated with by the department of Telugu, SCNR GDC Proddatur. Incharge Principal Sri Obul Subba Reddy graced the occasion as the Chief Guest who inaugurated the program. The students gave speeches, sung songs in telugu language. The lecturers of department of telugu sir Dr Sundereswar and Sri. Dr.Bhasker both said that it was important to know the mother tongue for the overall development of the country. A student who is fluent in his mother tongue can easily learn other languages. France, Germany, Japan, China, Sweden, Russia and Norway are some of the countries where the local languages have become the medium of development instead of English. The other faculty members and students were attended the program.

About International Mother Language Day:

It recognizes that languages and multilingualism can advance inclusion and the Sustainable Development Goals' focus on leaving no one behind. UNESCO believes education, based on the first language or mother tongue, must begin from the early years as early childhood care and education is the foundation of learning. The theme of the 2022 International Mother Language Day, "Using technology for multilingual learning: Challenges and opportunities," raises the potential role of technology to advance multilingual education and support the development of quality teaching and learning for all.

National science day 28-02-2022

National Science day National Science day was celebrated by the Interdepartmental of sciences of SCNR GDC Proddatur . Incharge Principal Sri Obul Subba Reddy inaugurated the function. He delivered keynote lecture on the theme of National Science Day 2022 is 'Integrated Approach in Science and Technology for Sustainable Future' on the occasion, .J.changra shekar, head of the physic department delivered lecture based on the focal theme 'Science and Technology for differentially abled' . Interdepartmental quiz competitions, poster making competitions and flash presentations were conducted, in which around 150 students participated. About the National science day: National Science Day 2022: National Science Day is observed every year in India on February 28 to mark a significant discovery by the Indian Physicist Chandrashekhara Venkata Raman in the field of Spectroscopy. The discovery was later named after him and was known as the 'Raman Effe

RJD visit to our college

Dr. Nagalinga Reddy, Hon'ble RJDCE , KADAPA had took surprise visit to SCNR Govt. Degree College Proddatur on 03.03.22 . RJDCE visited class rooms ,interacted with students about teaching and other facilities being provided in the college. Later he had given directions and suggestions to the principal & staff by arranging a staff meeting on NAAC work OTLP, Biometric Attendance, strengthening of Admissions, measures to be taken in bringing better result in semester end examinations, anti-ragging and other issues.

World Wildlife Day 03-03-22

World Wildlife Day was observed on 03rd March 2022 at SCNR GDC PRODDATUR by the department of zoology with aim of creating awareness among the students on conserving nature along with diversifying life on the earth. The day is focused on raising awareness of the world's wild fauna and flora. The term wildlife includes the organisms that grow and live in the wild without being introduced by humans. On this occasion, **Sri Chandrashekar Principal** of SCNR GDC Proddatur addressed the students that the main goal is based on this day is to conserve and protect wildlife from external threats. Zoology lecturers **Sri Chnadramohan** , **Sri Damodar** and other lecturers and students were participated in the event.

National Vaccination Day 16- 03- 2022

The **Department of Zoology** of SCNR GDC, Proddatur observed 16 March 2022 as **National Vaccination Day**. Zoology lecturers **Sri Chnadramohan** said that National Vaccination Day is to acknowledge and appreciate the hard work of frontline health care workers to ensure the vaccination of every child. **Sri Damodar** added that the India has made remarkable

progress in scaling up routine immunization through intensified vaccination drives. The country is moving towards measles and rubella elimination through the vaccination of over 324 million children between 2017 and 2020 through MR vaccination campaigns.

COVID19 Vaccination started for **12-14 yr age** group across the country today, as the country observed National Vaccination Day. During the day, the

students were actively participated and presented posters to reflect the theme of national vaccination day.

International Women's Day 08-03-22

SCNR GDC Proddatur has celebrated International Women's Day on 08th March 2022. On this occasion the event was organized by the women empowerment cell of the college. The chief guests of the event — Sri Chandrashekar Principal of SCNR GDC proddatur.

In his address, Sri. Chandrashekar said that every day should be celebrated as Women's Day. "The world will try to mould women in certain ways that fit a few people's narratives; however, it's crucial to be yourself and do what you feel is right," he said

Smt. Nirmala Devi incharge of women empowerment cell urged women to stand up for one another and be each other's strengths. "It is okay to ask for support whenever needed; one should not shy away from seeking help, especially for mental health problems," she said.

Job Drive – 05-03-2022

The Job Drive was conducted on **05.03.2022** at SCNR GOVT Degree College, Proddatur. The registration process had started at 9'O Clock and closed at 11' O Clock. Overall 80 students got registered and they were from all YSR Kadapa District Degree Colleges. One day before the campus drive, **Sri Chandrashekar** Principal has given paper notification regarding the job drive.

CURRICULAR ASPECTS

1.3.1

CURRICULAM ENRICHMENT
(Under Choice Based Credit System)

1.3.1 Curriculum Enrichment

1.3.1 Institution integrates cross cutting issues relevant to Gender, Environment and Sustainability, Human Values and Professional Ethics into the Curriculum Response:

The College offers courses in the curriculum addressing the cross cutting issues relevant to gender, environment and sustainability, human values and professional ethics. The issues are addressed continuously through the relevant courses and by conducting activities through various administrative and academic committees as well as clubs functioning in the institution. The academic courses addressing the above are listed in the table given below followed by the detailed syllabi. The following two paper are offering for our college students as mandatory pass subjects to sensitize awareness on environment and retain to continue of Human values in the society for ever.

S.No.	Programme	Course Title	Factors addressed
1	B.A, B.Com., B.Sc.,	Human Values and Professional Ethics	Moral Values and Gender Equity
2	B.A, B.Com., B.Sc.,	Environmental Studies	Environmental Awareness

Gender sensitization:- To create gender equality among our college students, we are organizing awareness programmes on 8th March every year as “International Women’s day” by our college Women Empowerment Cell. In the similar way, every year we are conducting awareness programme on 14th of May, Mothers day to educate our students on the Mother’s important in the house. We are celebrating Girl child day on 24th June every year by the help of Women Empowerment Cell to create awareness regarding the importance of Girls in the society.

Sustainability:- Through environmental sciences subject, we are enlightening our students to make use optimal use of environment (land, water, forest and atmosphere) for the development. If the student does not have awareness on proper use of environment, it may lead to so many consequences like Acid rains, Green house effect, Ozne layer depletion.
